

Leadership is a decision

Which style do you need to use today?

Everyone has a leadership style that feels most comfortable, but you can call upon different styles depending on the situation.

DiSC style	Leadership style	Use this style to
S	Inclusive	create a warm, safe environment
SC/CS	Humble	maintain composure under stress
C	Deliberate	create systems and structures
CD/ DC	Resolute	hold people accountable
D	Commanding	work fast and get results
Di/iD	Pioneering	initiate change
i	Energizing	rally people around group goals
iS/Si	Affirming	praise your team for their work

Learn your leadership strengths and how to stretch into other styles in *The 8 Dimensions of Leadership: DiSC® Strategies for Becoming a Better Leader*.
